

KETO UNIVERSITY

April 27-29, 2015 – SAN DIEGO, CALIFORNIA

This 2 ½ day **CEU accredited** interactive workshop will cover, through case studies and best practice sharing, areas such as:

- Epilepsy, the Ketogenic Diet and future uses of the diet
- Classical Ketogenic Diet and all other variants of the Ketogenic Diet
- Vitamin & mineral supplementation
- Medication administration and over-the-counter products
- Laboratory studies
- Special circumstances with the Ketogenic Diet
- Fine tuning the diet and weaning the diet
- Tools and resources for healthcare professionals

In addition to this, you will have the opportunity to network and discuss with other Ketogenic Diet healthcare professionals from across the country and a few international guests.

How to enroll for KETO UNIVERSITY 2015:

- Contact your local Nutricia Representative to receive an application form and program details
- Complete your application and return the form to your local Nutricia Representative
- If selected, you will receive an email confirmation of your enrollment for Keto University 2015

Eligibility:

- This workshop is designed specifically for registered dietitians who are currently working in a Ketogenic Center and have at least 1 year experience in the Ketogenic Diet practice

Please note:

- Registration is free for eligible participants
- Space is limited to 35 participants
- Participants are responsible for their travel and hotel accommodations

Sessions will be led by the 5 Keto Ambassadors with special guest speaker Dr. Eric Kossoff and many more...
